PLEASE NOTE

We can guarantee your place on this course, provided we have a minimum of 10 delegates, if your booking form and cheque reaches us by **31 January 2008**. After that date we will be publicising the full course contents for the first time and will be taking online bookings and payments, this may result in any remaining places being sold quickly.

Learning package contents

The key feature of our package is the one-day face to face revision course. However, we provide a great deal more to maximize your chances of passing the exam. Our comprehensive package consists of 3 main elements and represents unbeatable value. We support you from the beginning of your studies right up until your exam.

The 3 main elements to help improve your technical knowledge and exam skills are: -

ELEMENT 1 – PRE-COURSE SUPPORT

On receipt of your course fee you get

Online skills course

You get immediate access to our online course “How to Improve Your Study Skills” so that you can plan your studies effectively and build in the additional support tools into your study plan in order to get the most out of your studies.

Recommendation – complete at the earliest opportunity to get the maximum benefit from your study time.

(CPD time 6 hours)

Online chapter revision assessments

Access to 4 online multiple-choice assessments consisting of 25 questions per assessment. Your results will be emailed to you along with performance feedback on completion of each assessment.

Assessment 1 covers chapters 1, 2 and 3 of the CII course book

Assessment 2 covers chapters 4, 5, 6 and 7 of the CII course book

Assessment 3 covers chapters 8, 9, 10, 11 and 12 of the CII course book

Assessment 4 covers chapters 13, 14, 15 and 16 of the CII course book

Recommendation – take each assessment after study of the relevant chapters. Build time into your study plan for these and time for revising the gaps in your knowledge identified through the assessments.

Your results are recorded in our database and will be used to assist in tailoring the F2F course to address learning needs.

(CPD time 2 hours)

Online assessments covering the entire syllabus

Available from 2 March 2008

6 assessments consisting of 50 questions per assessment, each assessment tests your knowledge over the whole syllabus. These assessments can be taken as many times as you want.

References are provided to help you read up on questions that you get wrong. These assessments act as a revision tool and provide exam practice.

(CPD time 6 hours minimum)

ELEMENT 2 – THE F2F REVISION DAY

Flexible interactive revision session tailored specifically for delegates’ needs on the day
Modular format enables delegates to concentrate on the syllabus areas of most concern to them

Relevant questions, examples and scenarios used

Mini mock tests for each module

(CPD time 6 hours)

ELEMENT 3 – POST-COURSE SUPPORT

Access to the following will be provided to you between 3 April and 17 April

Post course assessment

A full mock 100 question assessment. Your results will be emailed to you along with performance feedback.

(CPD time 2 hours)

Your F2F training time is added to your CPD certificate on completion of this assessment.

Online skills course

Access to our online course “How to Improve Your Exam Skills” so that you can improve your exam techniques in the run up to your exam.

(CPD time 6 hours)

Online text based CF2 course

This online course will help reinforce the training you received on the F2F revision day and includes further assessments.

(CPD time 6 hours minimum)

Email support from your F2F trainer

You can email your questions on any points that you are still unsure about following your F2F revision date.

SUMMARY

We have put together an extremely comprehensive package. We feel that together with your commitment, it should ensure that you ‘sail’ through the exam. If you complete the full learning package this will amount to 34 hours of CPD and make a significant contribution to your exam preparation.

All your CPD time and assessment results are recorded online and you can view and print this at any time.
