

Stay ahead with our latest CPD support and R06 exam resources

Whether you're working through your CPD or preparing for the April R06 exam, this update gives you everything you need to stay compliant, competent, and confident. Read on to access valuable tools designed to support your professional success.

CPD system

Our CPD system is your one-stop shop for fulfilling your CPD requirements. It includes:

- Monthly CPD update service
- Diploma gap analysis assessments
- Five diploma online courses: R01 to R05
- Compliance online courses
- Focus on topics
- Specialist online course
- Learning to Learn

Is Your CPD Doing More Than Ticking a Box?

With the FCA placing greater emphasis on meaningful CPD, now is the time to go beyond the minimum and invest in a system designed to support your competence, not just your compliance.

The Wizard Learning CPD system offers structured monthly updates, in-depth technical content, and accredited resources that genuinely support your professional development. From practical guides and audio-visual presentations to robust recording tools aligned with FCA expectations, our CPD system is built to help advisers stay sharp, informed, and ahead of the curve.

Thousands of advisers already use Wizard Learning to stay compliant and competitive. Isn't it time you joined them?

Explore the CPD system now and see how valuable your CPD can really be.
